MEMORANDUM FOR: Deputy Director for Science and Technology

ATTENTION : [REDACTED] 25X1A

SUBJECT : Annual Report for the President's Foreign  
Intelligence Advisory Board

1. The attached is submitted in response to paragraphs F.2. and  
M.1. of the OPPB outline for subject report.

2. As noted last year, OCS provides ADP support to a large num-  
ber of operational, administrative and analysis, and production pro-  
jects. We assume that some of these will be described by the sponsoring  
components throughout the Agency. The attached contains some highly  
selective illustrative samples thought to rank among the most significant  
developments during the year.
